MUNICIPALITY OF CENTRAL MANITOULIN

COMPREHENSIVE ZONING BY-LAW

Section 1 TITLE

This By-law shall be known as the “Zoning By-law for the Municipality of Central Manitoulin.”

Section 2 DEFINED AREA

This By-law applies to the land included on Schedules to this By-law within the boundaries of the Municipality of Central Manitoulin, *herein* after known as the “**Municipality**” and to the adjoining shores of various lakes and rivers including land covered by water wherever there is or may be erected any jetty, *boathouse*, pier or other **building** or **structure**.

Section 3 INTERPRETATION

3.1 GENERAL

In their interpretation and application, the provisions of this By-law shall be held to be the minimum requirement adopted for the promotion of the public health, safety, convenience, or general welfare. Whenever the requirements of this By-law are at variance with the requirements of any other By-law, the most restrictive, or the By-law imposing the higher standards, shall govern and apply. Nothing in this By-law shall be construed to exempt any person from complying with the requirements of any other By-law of the **Municipality** or from any law of the Province of Ontario or of Canada.

3.2 ZONING SCHEDULES

Schedules B1-B5 attached hereto, together with the notations and references shown thereon, is hereby declared to form part of this By-law.

3.3 ZONE BOUNDARIES

When determining the boundary of any **Zone** as shown on Schedules B1-B5 forming part of this By-law, the following provisions shall apply:

- 3.3.1. A **boundary** indicated as following a highway, **street** or **lane** shall be the centre line of such highway, **street** or **lane**;
- 3.3.2. A **boundary** indicated as following a **watercourse, creek, stream** or **the right-of-way** of a railway or an electrical, gas or oil transmission line shall be the centre line of such watercourse, creek, stream or right-of- way;
- 3.3.3. A **boundary** indicated as following a shoreline, either the shoreline of the mainland or the shoreline of an island, shall follow such shoreline, except as noted in sub-section g) and in the event of change in the shoreline, the **boundary** shall be construed as moving with the actual shoreline;
- 3.3.4. A **boundary** indicated as approximately following lot lines shown on a registered plan of subdivision or Municipality **lot**, shall follow such **lot lines**;
- 3.3.5. A **boundary** indicated as approximately parallel to a **street line** or other feature indicated clauses a), b) or c) of this sub-section, and the distance from such **street line** or other feature is not indicated, and clause d) above is not applicable, such **boundary** shall be construed as being parallel to such **street line** or other feature;
- 3.3.6. A **boundary** indicated as following the limits of the **Municipality** shall follow such limits; and

MUNICIPALITY OF CENTRAL MANITOULIN

COMPREHENSIVE ZONING BY-LAW

3.3.7. Where any **zone** on the Schedules abuts a lakeshore, such zone shall be deemed to extend into the lake and apply to any water lots or to any land created by changing lake levels, landfill operations or by any other means.

3.4 CLOSINGS

In the event a dedicated **street** or **lane** shown on Schedules of this By-law is closed, the property formerly in such **street** or **lane** shall be included within the **zone** of the adjoining property on either side of such closed **street**, or **lane**. If a closed **street** or **lane** is the **boundary** between two or more different **zones**, the new **zone** boundaries shall be the former **centre line** of the closed **street** or **lane**.

3.5 CERTAIN WORDS

In this By-law, words used in the present tense include future; words in the singular number include the plural; words in the plural include the singular number; and the word “used” includes “arranged, designed or intended to be used”; the word “shall” is mandatory and not discretionary.

Unless the context clearly indicates the contrary, where a regulation involves two or more items, conditions, provisions or events connected by the conjunction “and”, “or” or “either-or”, the conjunction shall be interpreted as follows:

3.5.1. “and” indicates that all connected items, conditions, provisions or events shall apply in any combination;

3.5.2. “or” indicates that the connected items, conditions, provisions or events may apply single or in combination; and

3.5.3. “either-or” indicates that the connected items, conditions, provisions or events shall apply single but not in combination.

3.6 INTERPRETATION OF SIMILAR PERMITTED USES

Uses other than those hereinafter specifically mentioned as uses in each of the **zones**, may be permitted therein, provided such uses are similar to those specifically mentioned and are, in the opinion of **Council**, or a designate of **Council**, not more **obnoxious** or detrimental to the welfare of the community, than the permitted **uses** specifically mentioned in the respective **zone**.

3.7 MULTIPLE USES ON ONE LOT

Notwithstanding any other provisions of this By-law, where any land, **building** or **structure** is **used** for more than one permitted **use**, all provisions of this By-law shall be complied with for each **use**, except in the case of **lot area**, **lot frontage**, **coverage** and **minimum yard requirements** in which case the most restrictive or stringent requirement shall apply.

3.8 PROPERTIES WITH MORE THAN ONE ZONE

Where a **lot** is divided into more than one (1) **zone**, each such portion of said **lot** shall be considered separately for the purposes of determining **zone** provisions such as **lot area**, **lot frontage**, **required front yard**, **required side and rear yards** and each such portion shall conform to the provisions of the appropriate **zone**, but no **lot** shall have more than one (1) **dwelling unit** on the whole except as specifically provided in this By-law.

3.9 UNITS OF MEASURE

Metric units contained in this By-law are enforceable. Where imperial units appear, such units do not form part of this By-law; they are to be considered as ancillary information only and are provided only for the convenience of the reader.

Any person who uses any land or **erects** or **uses** any **building** or **structure** in a manner contrary to any requirements of this By-law, or who causes or permits such **use** or **erection**, or who violates any provision of this By-law or causes or permits a violation, is guilty of an offence upon conviction. Therefore, shall be liable to a fine, exclusive of costs, which shall be recoverable under the [Provincial Offences Act, R.S.O. 1990, c.P33](#), as amended.

Each day of violation shall constitute an offence, and in the case of failure to correct the offence the fine can be charged on a per diem basis.

4.7 REPETITION OF OFFENCE

The conviction of an offender upon a breach of any of the provisions of this By-law, shall not prevent the prosecution against the same offender upon any subsequent breach of the same or other provision of this By-Law.

4.8 REMEDIES

Where any **building** or **structure** is or is proposed to be **erected**, reconstructed, extended or enlarged, or any **building** or **structure** or part thereof is or is proposed to be **used**, in contravention of any requirements of this By-law such contravention may be restrained by action at the instance of any ratepayer or of the **Municipality** pursuant to the provisions of [The Planning Act](#).

4.9 VALIDITY

Should any section, or part of a section, of this By-law including anything shown on the zoning schedules (hereunto attached as Schedules B1-B5), for any reason be held to be invalid, it is the intention that all the remaining provisions shall remain in full force and effect.

4.10 REPEAL OF EXISTING BY-LAWS

The following By-laws passed pursuant to Section 34 of the *Planning Act* (R.S.O. 1990, c.13 or predecessor thereof and amendments thereto) are hereby repealed and such repeal shall come into effect upon the date this By-law comes into force:

- By-law No. 2002-07 and amendments thereto.

Note that where amending by-law numbers are referenced in text, they are provided for reference only, and upon consolidation with this By-law are repealed.

6.7 BUILDING REPAIR & RECONSTRUCTION

- a) Nothing in this section prevents the reconstruction of any **building** or **structure** that is damaged or destroyed by causes beyond the control of the owner, provided that the minimum frontage or area, or the minimum **front, side or rear yards** required by this section are not further reduced or its original **use** altered.

MUNICIPALITY OF CENTRAL MANITOULIN

COMPREHENSIVE ZONING BY-LAW

- b) Nothing in this section prevents the strengthening or restoration to a safe condition of any **building** or **structure** or part of any such **building** or **structure**.
- c) Such repair or reconstruction does not further contravene the provisions of this By-law, because of a change in the height, size or volume, or by changing the use of such **building** or **structure**; and;
- d) If the **building** is a dwelling house in other than a residential zone, it shall comply with all of the requirements set out in Section 7.3 **Residential use** in a residential R2 **zone**.
- e) Nothing in this section permits the reconstruction or repair of an unsafe **building** that has been derelict for a period exceeding 5 years.

6.8 BUILDINGS TO BE MOVED

In all **zones**, no **building**, residential or otherwise normally requiring a **building** permit for construction shall be moved within the area covered by this By-law or shall be moved into the limits of the area covered by this By-law without a permit from the **Chief Building Official**.

6.9 CHANGE OF USE

A use of a **lot**, **building** or **structure** which, under the provisions hereof, is not permissible within the **zone** in which such **lot**, **building** or **structure** is located, shall not be changed except to a **use** which is permissible within such **zone**.

6.10 CONTINUATION OF FARM USE

Nothing contained within this By-law shall prevent the continued use of any land, **building** or **structure** for **farming** purposes as defined under the term **Farm** in [Section 5](#).

6.11 CORNER LOTS IN RESIDENTIAL ZONES

Notwithstanding any other provision of this By-law, on a corner **lot** in the area covered by Schedules, no part of any **building** or **accessory building** shall be **erected** closer to the **lot line** of the **flanking** street than the minimum **setback** required on the **flanking** street.

6.12 DAY LIGHTING TRIANGLES

On a corner **lot**, a fence, **sign**, hedge, shrub, bush or tree, or any other **structure** or vegetation shall not be erected or permitted to grow to a **height** greater than one (1) metre [or 3.3 feet] above the grade of the streets that abut the **lot** within the triangular area included within the **street line** for a distance of six (6) metres [or 19.7 feet] from their point of intersection.

6.13 DWELLING UNIT IN NON-RESIDENTIAL

No person shall **use** any **lot**, or **erect**, **alter** or **use** any **building** or **structure** for the purpose of a separate **Dwelling Unit** on a **lot** zoned other than for residential uses, or within a portion of a non-residential **building** except in accordance with the following regulations:

- f) One single **dwelling unit** per **building** for use by the owner or operator shall be permitted with a private water supply and sewage system where such have been approved by the Ministry of the Environment, health unit or other

MUNICIPALITY OF CENTRAL MANITOULIN COMPREHENSIVE ZONING BY-LAW

- g) The **dwelling unit** shall have a separate washroom or bathroom and kitchen facilities from those of the non-residential use;
- h) The **dwelling unit** shall have a separate **parking space** as provided by sub-Section 6.22 hereto;
- i) The **dwelling unit** shall have a separate **building** entrance to that of which is provided for non-residential use; and
- j) The **gross floor area** of the residential portion of a non-residential **building** in a Commercial Zone shall not exceed sixty per cent (60%) of the **lot area**
- k) The **dwelling unit** shall have a minimum **floor area** of 37.16m² [or 400ft²].
- l) Notwithstanding the provisions of this By-law, no **dwelling unit** shall be located in a non-residential **building** that is used for an **automobile service station** as defined within Section 5.

6.14 NON-COMPLYING/NON-CONFORMING LOTS, BUILDINGS, AND USES

- a) Continuation of Existing Uses

The provisions of this By-law shall not apply to prevent the use of any **land, building** or **structure** for any purpose prohibited by this By-law if such **land, building** or **structure** was lawfully used for such purpose on the date of the passing of this By-law so long as it continues to be used for that purpose or to prevent the **erection** or **use** for a purpose prohibited by this By-law of any **building** or **structure** the plans for which have, prior to the date of the passing of this By-law, been approved by the **Chief Building Official**, so long as the **building** or **structure** when **erected** is used and continues to be used for the purpose for which it was **erected** and provided the **erection** of any such **building** or **structure** is commenced within 2 years after the date of the passing By-law and such **building** or **structure** is completed within a reasonable time after the **erection** thereof is commenced.

- b) Existing Buildings

Where a **building** has been **erected** prior to the date of the passing of this By-law on a lot having less than the minimum **frontage** and/or area, or having less than the minimum **setback** and/or **side yard** and/or **rear yard** required by this By-law, the said **building** may be enlarged, reconstructed, repaired or renovated provided that:

- i) The enlargement, reconstruction, repair or renovation does not further reduce a **front yard** and/or **side yard** and/or **rear yard** having less than the minimum required by this By-law; and
- ii) All other applicable provisions of this By-law are complied with.

- c) Existing Lots

A **lot** held as a single lot prior to the passing of this By-law may be built upon, even though said **lot** is of such size that it cannot comply with the minimum **frontage** and/or depth and/or area required by this By-law, provided that in the case of a **lot** in the Agricultural (A) Zone, Rural (R) Zone or the area covered by Schedules, such lot has not less than 15 metres [or 49.21 feet] of frontage and not less than 900 square metres [or 9,687.52 ft²] of area. Such lot shall require the approval of the Ministry of the Environment or the local Health Unit prior to the issuance of a building permit and the proposed use must comply with all other applicable provisions of this Bylaw.

- d) Residential Use in a Commercial Zone

Nothing in this By-law shall apply to prevent the alteration or replacement of a residential building existing at the date of passing of this By-law in a Commercial **Zone**, provided that such alteration or replacement does not

MUNICIPALITY OF CENTRAL MANITOULIN

COMPREHENSIVE ZONING BY-LAW

contravene any of the provisions of this By-law for such *use* in *Residential* Zone.

Whereas the ground *floor area* is less than required;

Nothing in this By-law shall prevent an alteration being made to a permitted *dwelling*, which *dwelling* existed at the time of the passing of this By-law but which has a ground *floor area* or *dwelling unit* area less than that required by this By-law, provided such alteration does not contravene any other provisions of this By-law.

6.15 FRONTAGE ON PUBLIC ROAD OR STREET

No person shall *erect* any *dwelling* in any *zone* unless the *lot* upon which such *dwelling* is to be *erected* fronts upon a public *street* or *road* allowance or abuts a legal *right of way* which is registered on title, that provides access to a *road* that is opened and maintained year-round by a public road authority. No person shall *erect* any other *building* or *structure* in any other *zone* unless the *lot* upon which such *building* or *structure* is to be *erected* fronts upon public *street* or *road* allowance. Notwithstanding the foregoing, a *dwelling* may be *erected* on any *lot* having water access only provided that there is a developed public access point.

6.16 GREATER RESTRICTIONS

This By-law shall not be effective to reduce or mitigate any restrictions lawfully imposed by a governmental authority having jurisdiction to make such restrictions.

6.17 HEIGHT EXCEPTIONS

Notwithstanding the *height* provisions, nothing in this By-law shall apply to prevent the *erection* of a *church* spire, belfry, clock tower, chimney, *farm building* or *structure*, silo, water tank, windmill, radio, radar, or television tower or antenna, or drive-in theatre screen, ventilators, skylight or solar collectors.

6.18 LICENSES, PERMITS AND OTHER BY-LAWS

Nothing in this By-law shall exempt any person from complying with requirements of the *building* By-law or any other By-law in force within the *Municipality* or from obtaining any permit, license, permission, authority or approval required by this or any other By-law of the Municipality of Central Manitoulin or by any other law in force from time to time.

6.19 LOADING SPACE REGULATIONS

Loading Space Requirements

The owner or occupant of any *lot*, *building* or *structure erected* or *used* for any purpose involving the receiving, shipping, loading or unloading of persons, animals, goods, wares and merchandise and raw materials, shall provide and maintain at the premises on the *lot* occupied by the *building* or *structure* and not forming part of a street or lane, within the *zone* in which such use is located, one *loading or unloading space* ten (10) metres [or 32.8 feet] long, four (4) metres [or 13.12 feet] wide and having a vertical clearance of at least four and one half (4.5) metres [or 14.76 feet] for each five hundred (500) square metres [or 5,381.96 ft²] of *floor area* of the *building* or *structure*.

a) Access

Access to *loading or unloading spaces* shall be by means of a driveway at least six (6) metres [or 64.59 feet] wide.

b) Loading Space Surface

The driveways, *loading and unloading* spaces shall be constructed and maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles and with provisions for drainage facilities.

c) Location

MUNICIPALITY OF CENTRAL MANITOULIN

COMPREHENSIVE ZONING BY-LAW

The **loading space or spaces** required shall be located in the **interior side** or **rear yard** unless setback from the street line a minimum distance of twenty-five (25) metres [or 82.02 feet].

d) Addition of Existing Use

When a **building or structure** has insufficient **loading space** at the date of passing of this By-law to comply with the requirements herein, this By-law shall not be construed to require that the deficiency be made up prior to the construction of any addition. No addition may be built, however, and not change of use may occur, the effect of which would be an increase in that deficiency.

6.20 MINIMUM DISTANCE SEPARATION (MDS)

Notwithstanding any other yard or setback provision in this By-law to the contrary, no building housing livestock or manure handling facility shall be erected unless it complies with the Minimum Distance Separation (MDS) Formulae as developed by the Ontario Ministry of Agriculture and Rural Affairs, as amended from time to time.

The following are exempt from MDS:

- a) Approved residential development proposed by building permit on existing lots of record; and
- b) Construction of a new residential dwelling that is replacing a dwelling destroyed in whole, or in part, by a catastrophe, provided that the new dwelling is located no closer to an existing livestock facility than prior to the catastrophe.

6.21 OCCUPATION OF UNCOMPLETED BUILDING

No **building**, or part of any **building**, shall be occupied except under the requirements of the Ontario Building Code.

6.22 PARKING AREA REGULATIONS

Parking spaces and area are required under this By-law in accordance with the following provisions:

a) Parking Space Requirements

The owner of every **building or structure erected or used** for any of the purposes hereinafter set forth shall provide and maintain for the sole use of the owner, occupant or other persons entering upon or making use of the said premises from time to time, **parking spaces** and areas as follows:

MUNICIPALITY OF CENTRAL MANITOULIN

COMPREHENSIVE ZONING BY-LAW

e) Illumination

Where **parking areas** are illuminated, lighting fixtures shall be so arranged that no part of any fixture shall be more than nine (9) metres [or 29.53ft] above the finished grade of the **parking area**. Fixtures shall be so designed and installed that the light is directed downward with a shield and deflected away from adjacent **lots, roads** and **streets** in accordance with the Municipality's [Dark Sky Policy](#).

f) Addition to Building or Structure

When a **building** or **structure** has insufficient parking area at the date of passing of this By-law to comply with the requirements herein, this By-law shall not be construed to require that the deficiency be made up prior to the construction of any addition. No addition may be built, however, and no change of use may occur. The effect of which would be an increase in that deficiency.

g) Use of Parking Spaces and Areas

Any area where off-street parking is permitted under this By-law shall be used for no other parking purpose than for the parking of operative passenger vehicles and commercial vehicles used in operations incidental to the permitted uses on the **lot**, all bearing currently valid licence plates.

For the purposes of this subsection "motor vehicle" shall mean any commercial vehicles as defined in the [Highway Traffic Act](#).

h) More Than One Use on a Lot

When a **building** or **structure** accommodates more than one (1) type of **use**, as defined in this By-law, the **parking space** requirement for the whole **building** shall be the sum of the requirements for the separate parts of the **building** occupied by the separate types of **use**.

i) Buffer Area

- i. Where a **parking area** is situated in a Residential **Zone** and is designed to accommodate more than six (6) automobiles, a strip of land not less than three (3) metres [or 9.84 feet] wide, around the periphery of the said **parking area** and within the **lot** in which said **parking area** is located shall not be used for any purpose other than **landscaping** but this shall not prevent the provision of entrances nor exits to said **parking area** across the strip.
- ii. Where a parking area is situated on the boundary between a **commercial use** and a **residential use** or recreational zone, a strip of land, not less than three (3) metres [or 9.84 feet] wide and lying in the **commercial use lot** along the said boundary shall not be used for any purpose other than **landscaping** but this shall not prevent the provision of entrances nor exits to said parking area across the strip.

j) Parking Area Location on Lot

Notwithstanding the **yard** and **setback** provisions of this By-law to the contrary uncovered surface **parking areas**, in other than **residential use** areas, shall be permitted in any required **yard** or in the area between the **road** or **street line** and the required **setback** provided no part of any **parking area**, other than a driveway, is located closer than one (1) metre [or 3.3 feet] to any **road** or **street line**. On a **residential lot** no parking shall be permitted in the required front **yard** of such **lot** except on a driveway of six (6) metres [or 19.69 feet] maximum width.

6.37 YARD AND SETBACK ENCROACHMENTS PERMITTED

Notwithstanding the provisions of this By-law to the contrary, where a **single family dwelling** or **accessory use** thereto is to be **erected** in a built-up area where there is an **established building line**, such **dwelling** or **accessory use** may be **erected** closer to the **street line** or the **centre line** of the **road** or **street**, as the case may be, than required by this By-law provided such **dwelling** or **accessory use** is not **erected** closer to the **street line** or to the **centre line** of the **road** or **street**, as the case may be, than the **established building line** on the date of passing of this By-law and further provided that in no case shall any **building** be **erected** closer than three (3) metres [or 9.84ft] from the **front lot line** and need be no greater than **setback** regulations prescribed in the **zone** in which it is situated.

For the purposes of this subsection “the **established building line**” means the average **setback** of the **existing building**. A **building line** is considered to be established when at least three (3) **buildings** have been erected on any one side of a continuous three hundred (300) metres of land with street **frontage**.

- a) Notwithstanding the **yard** and **setback** provisions of this By-Law, chimneys, overhangs, un-enclosed porches, balconies, steps, and decks may project into any required yard setback a maximum distance of 1.5 metres [or 4.92ft].

6.38 RECREATIONAL VEHICLE/TOURIST TRAVEL TRAILER STORAGE

Notwithstanding the foregoing, no person shall within any residential **zone, use** any part of any **front yard** except the driveway for the **parking** or temporary storage of tent trailers, **motor homes**, land cruisers, truck campers, boats or motorized snow vehicles and no person shall **use** any part of a **front yard** in a Residential **Zone** for the parking or storage of a **travel trailer**.

No person shall, in any **zone**, except in approved **tourist trailer park**, use any tourist or **travel trailer** for the purpose of providing temporary or permanent living or eating accommodation. A **travel trailer** may be permitted in a Shoreline Residential Zone (SR) or a Rural Zone (R) with the securing of an approved **Travel Trailer Occupancy Agreement** from the **Municipality**.
